From the Pastor's Desk...

Dear Friends,

Spring! We long for it! Discuss it! Anticipate it! Complain of its delay! Make plans for it! You have to wonder if it is not a God-given annual event to remind us of what our attitude should be concerning the coming of His Son and His Kingdom.

Everywhere there are signs of people preparing for spring. Some are fertilizing their yards, some are working their gardens, some are cleaning up what winter left, and some are starting that spring building project. Jesus said that the people of His day could recognize the coming seasons but foolishly disregarded the Spiritual signs of their times. It's hard to tell when "spring" will finally come. We have a date on the calendar but guessing the date of the last frost, etc... is difficult. All you can do is prepare.

When you read *Matthew 24:36-51* you get the impression that Jesus saw the time of His coming the same way. You and I don't know the exact time or hour but should anticipate it like spring. It will surprise us but should never catch us unprepared! Being prepared is to be alert, watchful in prayer, and diligent about our Father's business because spring is coming!

Spring is a great time to annually evaluate our attitude of the Lord, His ministry that He's invited us to, and His coming Kingdom. May you long for it, anticipate it, discuss it, and prepare for it!

His Servant,

Dave
